SUMMARY

- 1st year Computer Science student at Michigan State University, experienced in Programming design.
- Capable of Python, Pascal, Matlab language and proficient in Mathematica, Excel, PowerPoint software.
- Adept at design capability and plenty of time available every day.
- In study and work, I have the ability to allocate time and plan well.
- Even though I am only a freshman, but I will try my best to be at work.
- I may encounter many problems that I do not know how to solve, but I will continue to learn and master new knowledge while working. I have the confidence to accept and challenge these difficulties.
- I hope I can get a platform to exert my own value, and I will not waste the time and energy.

EDUCATION

Michigan State University

Sep 2018 - May 2022

Freshman Computer Science

East Lansing

- GPA: 3.9 / 4.0
- Honors/Awards:
 1. Hefei, Anhui province, The third prize of National Olympiad in Informatics in Provinces (2014)
 2. Gold medal in VEX Robotics world Competition (2016)
 3. China-Korea International Exchange Program (2017)
